## Instructions

### Object

Your favorite Dr. Seuss friends are playing hide and seek, and it's up to you to find them! Use your memory and search for Dr. Seuss characters that match the pictures on the cards. But be careful, if you draw a Scramble Card, all the characters will find new hiding spots!

### Set Up

- 1 Shuffle the Cards and make a deck. Place the deck face down on the matching space on the Game Board.
- 2 Mix up the Circle Tiles and put them blue side up, as shown.
- 3 Draw three Cards from the deck and place them on the empty spaces on the Game Board. If a Scramble Card is drawn, shuffle it back into the deck and draw another Card.

# On Your Turn

- 1 Flip over two Circle Tiles.
- 2 If any of the Circle Tiles you flipped match any of the face-up Cards, take both the Circle Tile and Card. Keep them in front of you.

- 3 Flip back over any Circle Tiles that don't match a Card.
- 4 If there are fewer than three face-up Cards on the Game Board, draw Cards from the deck to fill the empty spaces.

## Scramble Card

If a Scramble Card is revealed, mix up all of the face-down Circle Tiles, discard the Scramble Card, and replace it with a new Card.

## Ending the Game & Scoring

When there are no Cards left, all the characters have been found!  
Whoever has the most Circle Tiles wins!
