

HAPPY BIRTHDAY To You! GAME

Instructions

Set Up

- 1 Unfold the game board and place it in the center of the play area.
- 2 Shuffle the Present cards and place one card face up on each Present space on the board.
- 3 Count out additional Present cards according to the number of players, as shown to the right. Place them in a face-down stack on the Birthday Pal-alace space. Return any extra Present cards to the box—they won't be used this game.
- 4 Each player chooses a Candle mover, inserts it into a base, and places it near the Start space.
- 5 Give the spinner to the player whose birthday is next. They take the first turn!

On Your Turn

- 1 Spin the spinner.
- 2 Move your Candle up to the number of spaces you spun. You may move along any of the yellow paths, but you cannot stop on the same space you started on and you cannot share the same space with another Candle.
- 3 If you stop on a Present, collect that Present. If you stop on an action space, do the special action. (See **Special Actions** to the right.)

Keep all your Presents face up in front of you. If a Present you collect shows a question, share your answer with the other players. *Your answer is special and it's what makes you YOU!*
- 4 If there is an empty Present space **without a Candle on it**, refill it: Draw a Present card from the Birthday Pal-alace stack and place it face up on the empty space.

Now it's the next player's turn.

Ending the Game

When there are no more Present cards on the Birthday Pal-alace, it's a race to see who can get to the Pal-alace first! Keep playing, but players may now move along the blue paths to reach the Birthday Pal-alace. You can still collect Presents along the way.

As soon as a player stops on the Birthday Pal-alace, the game is over and they get 3 extra stars for reaching the Pal-alace first!

All players count up the stars on their Presents (plus 3 extra for the player who reached the Birthday Pal-alace) and the player with the most stars wins! If it's a tie, the tied player with the most Presents wins!

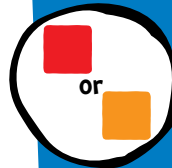

Rainbow Bonus

This rule is optional. If you collect the same Present image in at least three different colors by the end of the game, you get 3 extra stars. ★★ ★

Special Actions

Collect one face-up Present from the board that matches one of the two colors shown. If there are no matching face-up Presents on the board, don't collect anything.
