Picture Pairing[®]

game

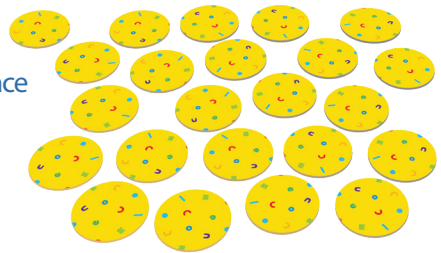

Object

Your favorite Cocomelon characters are playing hide and seek, and it's up to you to find them! Use your memory to match JJ and his friends to the pictures on the cards. Match the most to win!

Set Up

- 1 Shuffle the cards and make a deck. Place the deck face down on the matching space on the game board.
- 2 Mix up the Circle Tiles and put them yellow side up, as shown.
- 3 Draw three cards from the deck and place them on the empty spaces on the game board. If a Scramble Card is drawn, shuffle it back into the deck and draw another card.

The youngest player goes first!

On Your Turn

- 1 Flip over two Circle Tiles.
- 2 If any of the Circle Tiles you flipped match any of the face-up cards, take both the Circle Tile and card. Keep them in front of you.

- 3 Flip back over any Circle Tiles that don't match a card.
- 4 If there are fewer than three face-up cards on the game board, draw cards from the deck to fill the empty spaces.

End of Game

When there are no cards left, all the characters have been found! Whoever has the most Circle Tiles wins! If there's a tie, the tied players both win!

Note: Some Circle Tiles aren't characters with a matching card. Don't get tricked!

Scramble Card

If a Scramble Card is revealed, mix up all of the face-down Circle Tiles, discard the Scramble Card by setting it next to the game board, and replace it with a new card.
